

Social and Community Participation

Partner with DLi and **open up a world of opportunity.**

At DLi, we're all about creating impactful experiences that help our clients live rich, rewarding, and enjoyable lives.

With over 40 year's experience, and a registered NDIS provider, we offer a wide range of engaging activities designed to support independence, build confidence, and foster social connections. We like to think we're a social PA! Our clients tell us what they'd like to do, and it's our job to make it happen.

Whether it's cooking up a storm, learning to kayak, gaming with friends, or exploring the community, we're here to help you thrive.

Activities are available in group or individual settings and can take place at our purpose-built hub or in community-based locations.

Explore opportunities like:

- Weekday group activities
- Weekend adventures & getaways
